

Helpful Items to Provide With Your Aged, Blind, or Disabled MO HealthNet Application

Providing the following items will help us process your application in a timely manner; however, you can submit an application even if the information listed below is not available at the time you apply.

Vitals

- Guardian/Conservatorship papers, or power of attorney papers, if applicable.
- Contact information for your spouse, representative, or guardian.
- Proof of identity and citizenship if you do not receive Medicare, SSI, or Social Security disability benefits.
- Birth Certificate (if not born in MO).

Income

- Proof of gross monthly income, if you receive income other than Social Security, SSI, or Missouri unemployment benefits (provide proof for last 30 days; or last 90 days if needing prior-quarter coverage).
- If you receive Veterans Benefits, a break-down of the income (i.e. pension, aid and attendance, homebound allowance, etc.).

Liquid Assets (if applicable)

- Your last bank account statement for each account you own. If prior months coverage is requested, bank statements would also be needed for that specific time period.
- Burial plan documents (contract and irrevocable clause, if applicable).
- Proof of the current value of stocks, bonds, mutual funds, 401k, IRAs, and similar investments.
- Contracts for any annuities you own.

Insurance (if applicable)

- Proof of the cash surrender value of your life insurance, if any.
- Copies of health insurance cards.
- Proof of long-term care insurance.
- Proof of health insurance premiums.

NOTE: Other information may be necessary depending on your unique situation. By law, we must thoroughly verify all income and assets, including transfers of property.
